As part of our catering package, we provide food to the bridal party at no extra cost, provided that their number is not extraordinarily high. We also provide ice cream for the bridal party at no extra cost. We also provide hot towels and set tables for the parents of the bride and groom and the close family members. Setting is also available for the rest of the guests but at an additional cost

For customized menus that include items not on any of the above menus, please let us know and we shall be glad to design a personalized menu for you

Transport cost is excluded from these costs and will be discussed separately
